Bertrand Arthur William Russell (Trellech (Monmouthshire), 18 maggio 1872 – Penrhynedeudraeth, 2 febbraio 1970) è stato un filosofo, logico, matematico, attivista e saggista britannico. Fu un autorevole leader del movimento pacifista nonché divulgatore della filosofia, avvicinato alle correnti filosofiche del razionalismo, dell'antiteismo e del neopositivismo

A brief introduction: "A Free Man's Worship" (first published as "The Free Man's Worship" in Dec. 1903) is perhaps Bertrand Russell's best known and most reprinted essay. Its mood and language have often been explained, even by Russell himself, as reflecting a particular time in his life; "it depend(s)," he wrote in 1929, "upon a metaphysic which is more platonic than that ...

Bertrand Russell Bertrand Russell, India Post About the author. Bertrand Russell (1872-1970) excelled in almost every field of learning: mathematics, science, history, religion, politics, education, and, of course, philosophy. During his life, he argued for pacifism, nuclear disarmament, and social justice. In fact he lost his teaching

Oct 11, 2015 · Perhaps no one has spoken more clearly on growing old than the great philosopher Bertrand Russell in his essay "How To Grow Old.". The best way to overcome it [the fear of death]—so a philosopher would say—me—is to make your interests gradually wider and more impersonal, until bit by bit the walls of the ego recede, and your life becomes increasingly ...

"Bertrand Russell on God and Religion" 34 Copy quote The fact that an opinion has been widely held is no evidence whatever that it is not utterly absurd; indeed in view of the silliness of the majority of widely spread belief is more likely to be foolish than sensible.

Bertrand Arthur William Russell, 3rd Earl Russell OM FRS (18 May 1872 – 2 February 1970) was a British polymath. As an academic, he worked in philosophy, mathematics, and logic. His work has had a considerable influence on mathematics, logic, set theory, linguistics, artificial intelligence, cognitive science, computer science, and various areas of analytic philosophy, ...

Jan 01, 2006 · Bertrand Russell (1872-1970) was a philosopher, mathematician, and social reformer. A few biographical points are worth mentioning: Russell's parents died when he was a child; John Stuart Mill was his godfather. He taught at Trinity College, Cambridge but was dismissed because of his pacifist activities during World War I.

Dec 16, 2021 · Article: Is a new kind of religion forming on the internet? This Vox.com article is not written from a Christian perspective, but indeed sheds light on a growing phenomena that's occurring outside of Christian communities.

Bertrand Russell, British philosopher and logician, founding figure in the analytic movement in Anglo-American philosophy, and recipient of the 1950 Nobel Prize for Literature. His contributions to logic, epistemology, and the philosophy of mathematics made him one of the foremost philosophers of the 20th century.

Philosophical work. Russell is generally credited with being one of the founders of analytic philosophy, but he also produced a body of work that covers logic, the philosophy of mathematics, metaphysics, and epistemology. Analytic philosophy. Bertrand Russell helped to develop what is now called "Analytic Philosophy." Alongside G. E. Moore, Russell was shown to be ...

Mar 12, 2007 · Philosophy of religion is the philosophical examination of the themes and concepts involved in religious traditions as well as the broader philosophical task of reflecting on matters of religion, including the nature of religion itself, alternative concepts of God or ultimate reality, and the religious significance of general features of the cosmos (e.g., the ...

Bertrand Arthur William Russell, 3rd Earl Russell, Viscount Amberley, born in Wales, May 18, 1872. Educated at home and at Trinity College, Cambridge. During World War I, served four months in prison as a pacifist, where he wrote Introduction to Mathematical Philosophy. In 1910, published first volume of Principia Mathematica with Alfred Whitehead.
